## GSE-336 split leather gloves canvas cuff

Constructed of heavy side split cowhide. Cotton lined palm for extra comfort. Gunn cut pattern delivers excellent durability, wear and comfort, especially for heavier gloves. Wing thumb increases comfort in open-handed work. Rugged extra strength back and cuff. Optionally available to Stitched with Kevlar® adding strength and burn resistance. Leather knuckle strap and finger tips for extra protection. Elastic closure sewn inside glove for safety and comfort. Rubberized fabric safety cuff helps protect wrist, allows for fast removal, and water resistance. Color coded hems for easy size identification.

### features

- ⌚ Selected Cowhide Split Leather
- ⌚ Available in A+ Grade / A Grade / AB Grade
- ⌚ Wing Thumb
- ⌚ Gunn Pattern, Rubberized Cuff Type
- ⌚ White Canvas Cuff & Back
- ⌚ Packing: 10 Dozen/Case
- ⌚ Country of Origin: Pakistan

### applications

- Construction
- Machine operation
- Light duty welding
- Utility work
- Farming
- Roping
- Many other general applications

### care instructions

Machine wash in cold water with detergent. Do no bleach. Rinse well and spin extract using low speed. Hang dry. Do not iron

#### Precautions for Use:

It is recommended to check that the gloves are suitable for the intend use. Put the gloves on clean dry hands and carefully inspect before using or reusing them i.e. check for tears or snags.
