FABRIC SELECTION

The first step of the manufacturing process is the selection of fabric; we ensure to select the best fabric.. To check the quality of the fabric, several Quality Assurance methods are performed.

FABRIC CUTTING

We do bulk fabric cutting with our latest automated and manual cutting machines. This procedure is done with very accuracy and care.

PRIVATE LABELING

Before sending the product to the packing department, the product is reviewed, and labels are checked as per the criteria.

1

2

CUSTOMIZATION

We have a team of professional designers. Their job is to customize the product of your choice, which includes printing, embroidery, and embossing, depending on the customer's required changes.

3

4

HOODIES SEWING

After cutting, the fabric is neatly sewn by hand according to the customer's requirements. A professional team of tailors is there for this purpose.

5

6

PACKAGING AND SHIPPING

Finally, our finest-made products are packed into boxes using automated packaging machines that are proficient to pack your products in no time.
